Decide

Article 1

The purpose of this Prakas is to determine formalities and procedures for signing an agreement between the Occupational Safety and Health Department and health facilities in providing Cambodian worker/employee checkup services.

Article 2

Any health facilities wishing to provide Cambodian workers/employees with checkup services shall meet the following requirements:

1. Sign an agreement with the Occupational Safety and Health Department of the Ministry of Labour and Vocational Training in accordance with the agreement format stipulated in Annex 1 of this Prakas.
2. Have a license recognized by the Ministry of Health and pass the assessment with regard to the provision of services and service quality from the Occupational Safety and Health Department.
3. Have a proper location, status and appropriate and adequate infrastructure for providing checkup services in a quality manner in accordance with the requirements set by the Occupational Safety and Health Department including:
 - Proper and hygienic environment

- Medical equipment, materials and tools and other necessary standard means for supporting the checkup.
- The health staff have technical capacity, morality and proper number as required by the Ministry of Health.

Article 3

The Occupational Safety and Health Department shall monitor the quality of the checkup services of partner health facilities by cooperating in regularly providing each other with information to promote service quality and guide the use of the services in an effective manner.

Article 4

The Occupational Safety and Health Department and partner health facilities can review and renew their agreement based on the service quality and level of service provision of partner health facilities. The Occupational Safety and Health Department has the right to cancel the agreement with any partner health facilities that fail to comply with the requirements and regulations.

Article 5

Any regulation contrary to this Prakas shall be abrogated.

Article 6
